Coast  
Tsimshian  
Seafood

## **Coast Tsimshian Fish Plant Ltd.**

[www.ctseafood.com](http://www.ctseafood.com)

Christina Chen  
[christinachen143@gmail.com](mailto:christinachen143@gmail.com)

Coast Tsimshian Seafood is entirely owned by the Lax Kw'alaams First Nation and employs 100 full-time staff from the local community, with the workforce expanding to 170 during the peak season. They are the only major fish processing and freezing facility on the north coast of B.C. equipped to ship large volumes internationally. Their prime location, nearest to the fishing grounds, ensures top-quality catch, with vessels docking directly at the plant for near-instant processing.

**Specialty Products:** Black Cod, Flatfish, Flounder, Groundfish, Halibut, Rockfish, Salmon

**Clear Ocean Seafood Ltd.**

[www.clearocean.ca](http://www.clearocean.ca)

Tony Dong  
[tony.d@clearocean.ca](mailto:tony.d@clearocean.ca)

Clear Ocean Seafood, with over 30 years of expertise, is a trusted supplier based in British Columbia, Canada, proudly delivering premium, sustainably sourced scallop products to North America and beyond. From their renowned Pacific scallops and bacon-wrapped scallops, to cooked salad scallops, and a wide array of scallop appetizers, they provide exceptional quality and innovative solutions to food service and retail industries worldwide.

**Specialty Products:** Scallops

---

**Daily Fresh Shellfish Inc.**

Shuwen Chen  
[winnie@dailyshellfish.com](mailto:winnie@dailyshellfish.com)

Daily Fresh Shellfish Inc. was established in 2021 and is specialized in processing shellfish for local distribution and export markets. The company's main focus is on live oyster and manila clam processing and 90% of their products are being exported to the US and the European markets.

**Specialty Products:** Black Cod, Clams, Oysters, Sea Urchin

## FRENCH CREEK SEAFOOD

### **French Creek Seafood Ltd.**

[www.frenchcreek.ca](http://www.frenchcreek.ca)

Brad McLean  
[brad@frenchcreek.ca](mailto:brad@frenchcreek.ca)

French Creek Seafood Ltd. is a privately family-owned company that was established in 1991. Noted for being a “hands-on” company, the business takes pride in the high quality of its seafood products. In 2024, Shanghai Kaichuang Deep Sea Fisheries Co., Ltd. acquired 100% ownership. A high volume of fresh sales goes directly to the consumer market from the processing lines, ensuring that customers at the market receive the freshest seafood available. The company combines a family-owned business ethic with the ability to work worldwide, benefiting consumers at home and friends from other countries who enjoy the fresh-frozen seafood.

**Specialty Products:** Black Cod, Hake, Halibut, Prawn, Salmon, Tuna, Roe

---

### **Indigo Seafoods Ltd.**

[www.indigoseafoods.ca](http://www.indigoseafoods.ca)

Scott Ree  
[scott@indigoseafoods.ca](mailto:scott@indigoseafoods.ca)

Indigo Seafoods is an import-export company located in Vancouver, British Columbia, that handles a wide range of frozen seafood products. Especially, they are a top dealer in dressed, semi-processed and processed black cod products, using wild, top quality frozen-at-sea fish. A unique product for the North American sushi market is vacuum packed, sushi-grade black cod loins for “aburi” style. These have caught the interest of sushi chefs across Japan. Other products of note are Albacore tuna and wild pacific salmon.

**Specialty Products:** Black Cod, Crab, Tuna, Value-added Seafood Products, Prawn

## **North Delta Seafoods Ltd.**

[www.ndseafoods.com](http://www.ndseafoods.com)

Lynn Normoyle  
[lynn@ndseafoods.com](mailto:lynn@ndseafoods.com)

Located in Vancouver, British Columbia, North Delta Seafoods has been providing sustainable seafood to customers worldwide since 1978. They offer the highest level of quality assurance to their customers by controlling all aspects of production, from deliveries made by the fishing fleet, to production at the processing plants, to the final packaging and distribution. North Delta Seafoods is proud of the reputation it has earned for quality and personal service, and works closely with its major customers to ensure a long-term, mutually beneficial relationship.

**Specialty Products:** Tuna, Halibut

---

## **Ocean Story Fishing Group Inc.**

[www.oceanstory.ca](http://www.oceanstory.ca)

Harry Tam  
[info@oceanstory.ca](mailto:info@oceanstory.ca)

Ocean Story Fishing Group was founded in 2013 in Prince Rupert, British Columbia, located at the 55th latitude in the Gulf of Alaska. Prince Rupert is home to abundant seafood resources and one of the largest shipping container terminals on the northwest coast. Through hard work and dedication over the past decade, they have grown their fleet of fishing vessels. In addition, they partnered with one of the largest Indigenous fishing companies to produce over 10 million pounds of seafood annually. Ocean Story Fishing Group is committed to building a sustainable seafood supply chain that brings the highest quality seafood directly from the ocean to your table.

**Specialty Products:** Black Cod, Crab, Flatfish, Flounder, Groundfish, Rockfish, Salmon, Sea Cucumber, Sea Urchin, Value-added Seafood Products, Other: BC Sidesripe

**Ocean Wise**

[www.ocean.org](http://www.ocean.org)

Adam Bent  
[Adam.Bent@ocean.org](mailto:Adam.Bent@ocean.org)

Ocean Wise is a global conservation organization headquartered in Vancouver, BC on a mission to build communities that take meaningful action to protect and restore the ocean. With 20 years experience, their Fisheries & Seafood initiative partners with hundreds of businesses across multiple sectors and 11 countries to advance sustainable seafood. Using the Ocean Wise symbol, they are not only making sustainable seafood choices easier for consumers, but also ensuring that fishers and farmers committed to conducting their operations in a responsible manner get value for their products.

**Specialty Products:** Other: Ocean Wise eco-label

---

**Orca Specialty Foods Ltd.**

[www.orcaspecialtyfoods.com](http://www.orcaspecialtyfoods.com)

Kevin Horgan  
[kevin.h@orcaspecialtyfoods.com](mailto:kevin.h@orcaspecialtyfoods.com)

Orca Specialty Foods is a Vancouver, British Columbia, Canada based value added seafood processor. For over 27 years they have provided high quality, retail ready products to customers around the world. From whole fish to sliced smoked salmon they have a solution for your needs.

**Specialty Products:** Value-added Seafood Products

## **Pacific Prawn Fishermen's Association**

[www.bcprawns.ca](http://www.bcprawns.ca)

Katie Lindsay  
[katie@bcprawns.ca](mailto:katie@bcprawns.ca)

The Pacific Prawn Fishermen's Association (PPFA) was formed in 2000. It is a registered non-profit society representing the 245 BC Spot Prawn licence holders, crews, First Nations, and buyers. The association works with the government on regulatory matters, conducts research, and provides information to prawn industry members. PPFA has helped developed wild BC Spot Prawns as a highly sought-after seafood delicacy. Their focus has always been on the continuing conservation of prawn stocks and the sustainability of the BC spot prawn fishery.

**Specialty Product:** Spot Prawns

---

## **PACIFIC RIM SHELLFISH**

## **Pacific Rim Shellfish Corporation**

[www.pacrimshellfish.com](http://www.pacrimshellfish.com)

Dennis Li  
[sales@pacrimshellfish.com](mailto:sales@pacrimshellfish.com)

Established in 1977, Pacific Rim Shellfish has grown into an established major exporter for live shellfish. Pacific Rim Shellfish is active in a variety of international markets including China, Hong Kong, Singapore, Malaysia, Vietnam, the USA, and Europe. The company offers a range of British Columbia's most popular seafood exports, including: Geoduck, Pacific oysters, sea urchin, Manila clams, Dungeness crab as well as B.C. spot prawns.

**Specialty Products:** Clams, Geoduck, Oysters, Sea Cucumber

## **Pacific Sea Cucumber Harvesters Association**

[www.pscha.org](http://www.pscha.org)

Geoff Krause  
[gkrause@shaw.ca](mailto:gkrause@shaw.ca)

Established in 1992, the Pacific Sea Cucumber Harvesters Association represents BC's Giant Red Sea Cucumber (*Apostichopus californicus*) fishery, advocating for sustainable and responsible harvesting. The Association supports industry-led research, promotes quality standards, and collaborates with Fisheries and Oceans Canada, the Province of BC, First Nations, and other stakeholders. BC's wild sea cucumbers are prized for their thicker, more flavorful skins and meat. Products are processed as vacuum-packed frozen meats or salted and boiled whole, then shipped internationally by sea or air. Seven processors/exporters operate in BC, ensuring global availability of this premium seafood.

**Specialty Products:** Sea Cucumber

---

## **Pacific Urchin Harvesters Association**

[www.puha.org](http://www.puha.org)

Geoff Krause  
[gkrause@shaw.ca](mailto:gkrause@shaw.ca)

Pacific Urchin Harvesters Association (PUHA) is an industry association of harvesters and processors which represents license holder of Red (*Mesocentrotus franciscanus*) and Green (*Strongylocentrotus droebachiensis*) sea urchin fisheries in British Columbia. PUHA has been developing consensus industry positions, contributing to scientific research and coordinating marketing program for the industry since 1992.

**Specialty Products:** Sea Urchin

**Quality Seafood Source Inc.**

[www.qualityseafoodsource.com](http://www.qualityseafoodsource.com)

Rutger Kooy

[rutger@qualityseafoodsource.com](mailto:rutger@qualityseafoodsource.com)

With generations of experience, Quality Seafood Source (QSS) is a well established seafood exporter from British Columbia, Canada. They take pride in providing their customer's needs for high quality wild-caught seafood from the Pacific Ocean and exporting directly to importers worldwide. They provide raw material to the industry, custom made fillets and portions, both in retail and foodservice packaging. Their commitments include consulting customers on purchasing and providing sustainable, high-quality seafood at competitive prices.

**Specialty Products:** Black Cod, Caviar, Other: Groundfish Fillets

---

**Sea Agra Seafood Ltd.**

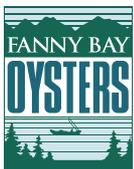

[www.seaagraseafood.com](http://www.seaagraseafood.com)

Robert Shaw

[rob@seaagra.com](mailto:rob@seaagra.com)

Established in 1992, Sea Agra Seafood Ltd. believes in seafood products as a beneficial and sustainable protein with great culinary attributes. Sea Agra's continued success to find strong partnerships with suppliers that have mutual interest in bringing to market great sustainable seafood with fantastic flavour profiles. They connect valued quality suppliers with customers in an honest and mutually beneficial way. Sea Agra has grown over the past three decades maintaining goals of hard work, top quality products, sustainable and environmental attentiveness all in an effort to deliver consistent customer satisfaction.

**Specialty Products:** Black Cod, Caviar, Salmon, Roe, Value-added Seafood Products

## **Taylor Shellfish Canada**

[www.taylorshellfishfarms.com](http://www.taylorshellfishfarms.com)

Brian Yip  
[bkwyip@gmail.com](mailto:bkwyip@gmail.com)

Taylor Shellfish Canada is a grower, processor and exporter of live shellfish world wide for the last 30 years, providing their customers with shellfish from the Pacific Northwest. As a company whose product relies on clean water and healthy ecosystems, they have long been stewards of the marine environment. They specialize in the freshest tide-to-table shellfish from the infamous geoduck to their exclusive Shigoku oyster.

**Specialty Products:** Clams, Oysters

---

## **Underwater Harvesters Association**

[www.geoduck.org](http://www.geoduck.org)

Katie Lindsay  
[marketing@geoduck.org](mailto:marketing@geoduck.org)

Canada is one of the world's leading suppliers of high-quality Geoduck clams. The Underwater Harvesters Association (UHA) is a non-profit association that represents the licence holders, quota block holders, First Nations, exporters, crews, and families involved in the wild geoduck fishery. The UHA has developed the geoduck fishery into a highly specialized, sustainable industry that offers a premium live product to international markets.

**Specialty Products:** Geoduck

**Walcan Seafood Ltd.**

[www.walcan.com](http://www.walcan.com)

Alicia Bradshaw  
[a.bradshaw@walcan.com](mailto:a.bradshaw@walcan.com)

Walcan Seafood is a company based in British Columbia, Canada, specializing in the processing and distribution of high-quality seafood products. Established in 1974, Walcan Seafood is known for its commitment to sustainable fishing practices and the responsible sourcing of seafood from the pristine waters of the Pacific Northwest. The company primarily deals with a variety of seafood, including wild salmon, halibut, sablefish, and shellfish such as spot prawns.

**Specialty Products:** Caviar, Black Cod, Halibut, Herring, Salmon, Roe, Value-added Seafood Products
