Baynes Sound Oyster Co.

www.baynesoysters.com

Wanda Lewis
wanda@wandaco.com

Baynes Sound Oyster Co. Ltd. is a family-owned shellfish farm and federally certified processor dedicated to producing premium Pacific oysters through sustainable practices. Their oysters grow in nutrient-rich coastal waters, delivering a clean, crisp flavour and bright brininess chefs and seafood lovers appreciate. Combining generations of expertise with modern stewardship, the company ensures quality, traceability, and environmental responsibility from tide to table. Baynes Sound Oyster Co. proudly serves restaurants, retailers, and distributors with oysters that reflect the authentic taste of Vancouver Island's coastal waters.

Specialty Products: Oysters

BC Crab Fishermen's Association

www.weheartbccrab.ca

Megan Eadie
megan@weheartbccrab.ca

The BC Crab Fishermen's Association is a non-profit organization representing Dungeness crab harvesters along Canada's west coast. Working in partnership with fishermen, Fisheries and Oceans Canada, and third-party monitoring groups, the Association helps ensure the BC crab fishery remains a global leader in sustainability. Each year, approximately 8 million kilograms of Dungeness crab are harvested in BC's year-round fishery, primarily sold as a premium live product.

Specialty Products: Crab

CALKINS & BURKE

Coast
Tsimshian
Seafood

Coast Tsimshian Fish Plant Ltd.

www.ctseafood.com

Christina Chen

christinachen143@gmail.com

Coast Tsimshian Fish Plant Ltd. is a community-owned seafood enterprise operated by the Lax Kw'alaams Band in northern British Columbia. Founded to foster long-term economic development for the Coast Tsimshian people, the company specializes in processing, packaging, and exporting sustainably harvested wild seafood. With facilities in Lax Kw'alaams and Prince Rupert, it provides local employment and collaborates with Indigenous fishers, fleet operators, and partners to strengthen the regional seafood supply chain. Coast Tsimshian Fish Plant integrates traditional stewardship values with modern quality standards to meet global market demands while supporting community well-being. By reinvesting profits locally and prioritizing sustainability, the company plays a vital role as both an economic driver and a guardian of marine resources.

Specialty Products: Flatfish, Rockfish

FRENCH CREEK SEAFOOD

French Creek Seafood Ltd.

www.frenchcreek.ca

Brad McLean
brad@frenchcreek.ca

French Creek Seafood Ltd. is a privately family-owned company that was established in 1991. Noted for being a “hands-on” company, the business takes pride in the high quality of its seafood products. In 2019, 70% ownership was acquired by Shanghai Kaichuang Deep Sea Fisheries Co., Ltd. A high volume of their fresh sales that go directly to the consumer market from the processing lines, which means at the market, you’re getting the freshest seafood available. The company combines a family-owned business ethic with the ability to work worldwide, benefiting consumers at home and friends from other countries who enjoy the fresh-frozen seafood.

Indigo Seafoods Ltd.

www.indigoseafoods.ca

Scott Ree
scott@indigoseafoods.ca

Indigo Seafoods is an import-export company located in Vancouver, British Columbia, that handles a wide range of frozen seafood products. They are a top dealer in dressed, semi-processed and processed black cod products, using wild, top quality frozen-at-sea fish. A unique product for the North American sushi market is vacuum packed, sushi-grade black cod loins for “aburi” style. These have caught the interest of sushi chefs across Japan. Other products of note are Albacore tuna and wild pacific salmon.

Specialty Products: Black Cod/Butterfish/Sablefish, Rockfish, Roe, Salmon, Tuna, Value-added Seafood Products, Prawn

North Delta Seafoods Ltd.

www.ndseafoods.com

Lynn Normoyle
lynn@ndseafoods.com

Located in Vancouver, British Columbia, North Delta Seafoods has been providing sustainable seafood to customers worldwide since 1978. They offer the highest level of quality assurance to their customers by controlling all aspects of production, from deliveries made by the fishing fleet, to production at the processing plants, to the final packaging and distribution. North Delta Seafoods is proud of the reputation it has earned for quality and personal service, and works closely with its major customers to ensure a long-term, mutually beneficial relationship.

Specialty Products: Black Cod/Butterfish/Sablefish, Tuna, Halibut, Prawn, Salmon

Ocean Story Fishing Group Inc.

www.oceanstory.ca

Harry Tam
htam@oceanstory.ca

Founded in 2013 in Prince Rupert, British Columbia, Ocean Story Fishing Group operates along the 55th Parallel in the nutrient-rich waters of the Gulf of Alaska. The company proudly owns and operates its own fleet of fishing vessels and modern seafood processing facilities, ensuring complete control over quality from catch to distribution. In partnership with one of the region's largest Indigenous fishing companies, Ocean Story produces over 5000 tons of premium seafood annually, supporting local economies and promoting sustainable harvesting practices. It's mission is to build a transparent, efficient seafood supply chain that brings the freshest, highest-quality products from ocean to table—sharing the bounty of the Pacific with the world.

Specialty Products: Rockfish, Flatfish

Orca Specialty Foods Ltd.
www.orcaspecialtyfoods.com

Kevin Horgan
kevin.h@orcaspecialtyfoods.com

Orca Specialty Foods, based in Surrey, British Columbia, is a Canadian seafood processing company founded in 1995. They focus on smoked and value-added fish and seafood products. Orca works both under its national brand (“One Ocean”) and through private label arrangements, serving clients across Canada, the US, Europe, and Asia. The company emphasizes rigorous quality assurance protocols—HACCP, GFSI, MSC certifications—and custom processing services, such as filleting, portioning, and smoking, to meet diverse customer needs. Its client base spans grocery retailers, food service companies, and wholesale distributors.

Specialty Products: Salmon, Value-added Seafood Products

**Pacific Prawn
Fishermen’s Association**
www.bcprawns.ca

Katie Lindsay
katie@bcprawns.ca

The Pacific Prawn Fishermen’s Association (PPFA) represents Canada’s wild, trap-caught Spot Prawn fishery, harvested from the pristine coastal waters of British Columbia. The PPFA advocates for the sustainable management of this small-boat, community-based fishery and promotes the premium quality of BC Spot Prawns, renowned for their sweet flavour, firm texture, and vibrant colour. Working collaboratively with government, chefs, and retailers, the PPFA leads marketing and promotional initiatives to expand domestic and international markets for Wild BC Spot Prawns. From ocean to plate, the association champions traceability, stewardship, and the proud tradition of Canada’s coastal fishing families.

Specialty Product: Spot Prawns

**PACIFIC SALMON
INDUSTRIES INC.**

Pacific Salmon Industries Inc.

www.pacific-salmon.com

Michael Sato
msato@pacific-salmon.com

Incorporated in 1974, Pacific Salmon Industries Inc is a seafood company operates on a 20,000-square-meter site in Surrey, British Columbia, serving the needs of the province's fishing industry. Over the decades, it has grown into one of Surrey's largest employers and a leading vertically integrated seafood producer. Its wholly owned processing division, Scanner Enterprises, specializes in key species including wild salmon, hake, herring, and groundfish. In peak periods, they process up to 1 million pounds of herring and 250,000 pounds of salmon per day. Together with their 6 million pound on-site cold storage, they offer a one-stop solution for customer's seafood, processing, and storage requirements.

Specialty Products: Black Cod/Butterfish/Sablefish, Caviar, Flatfish, Flounder, Groundfish, Hake, Halibut, Herring, Pollock, Rockfish, Roe, Salmon, Value-added Seafood Products

Pacific Urchin Harvesters Association and Pacific Sea Cucumber Harvesters Association

www.puha.org
www.pscha.org

Geoff Krause
gkrause@shaw.ca

The Pacific Urchin and Sea Cucumber Harvester associations (PUHA and PSCHA respectively) are industry associations representing licence holders in British Columbia, Canada. Both develop consensus industry positions on the management and operations of their respective fisheries (Red & Green Sea Urchin and Giant Red Sea Cucumber), participate in research supporting sustainable use of the resources; promote a focus on quality through all stages and communicate these as core values through coordinated marketing programs.

Specialty Products: Sea Urchin, Sea Cucumber, Value-added Seafood Products

Quality Seafood Source Inc.
www.qualityseafoodsource.com

Rutger Kooij
rutger@qualityseafoodsource.com

With generations of experience, Quality Seafood Source (QSS) is a well established seafood exporter from British Columbia, Canada. They take pride in providing their customer's needs for high quality wild-caught seafood from the Pacific Ocean and exporting directly to importers. A key strength is their strong cooperation with Indigenous tribes in North America, ensuring access to the best raw material harvested sustainably from traditional territories. QSS is committed to supplying the world with high-quality seafood responsibly, adhering strictly to federal and global standards.

Specialty Products: Caviar, Flatfish, Groundfish, Salmon, Sea Urchin

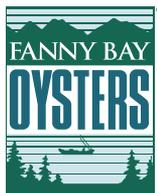

SeaAgra Seafoods Ltd.
www.seaagraseafood.com

Robert Shaw
rob@seaagra.com
